READY FOR DIGITAL SIGNAGE

Clickshare takes your hybrid meetings to the next level. When combined with easescreen, the leading digital signage software, there are many additional ways to use screens. Discover the solution for additional value in the meeting room - from information to corporate communication.

THE COMBINATION MAKES THE DIFFERENCE

- Powerful & multifunctional all-in-one solution: presentation, collaboration & digital signage.
- Alerting, operation and information: screensaver for digital signage applications.
- Barco Clickshare is natively compatible with easescreen.
- Easy integration into existing networks as well as comprehensive hardware compatibility.

2 SIMPLE QUESTIONS FOR SUCCESS!

HOW MANY ROOMS DO I HAVE?

HOW MANY CHANNELS DO I NEED?

READY FOR DIGITAL SIGNAGE!

- Maximum flexibility: on-prem or cloud hosting (minimum installation effort).
- Advantageous USP: immense added value through the software extension of a popular hardware.
- Meaningful added value: an enriched user experience that will be remembered!
